- A private safari vehicle and a professional guide throughout
- A guided wildlife walk on the first evening in Arusha
- Tarangire, the Ngorongoro Crater and the Serengeti in one trip

Day 5

NORTH TO THE MARA RIVER

River Camp by Karibu Camps, Northern Serengeti

After breakfast you game-drive north through the Serengeti, on the line the migration takes towards the Mara River.

The afternoon goes on the herds and the predators following them, and you finish at River Camp.

MEALS Breakfast, lunch & dinner

Day 6

THE MARA RIVER CROSSINGS

Kuria Hills Lodge, Northern Serengeti

A full day in the northern Serengeti, which is one of the best places in Africa to see the crossings.

Your guide follows the herds, and when they go, thousands of wildebeest and zebra take to water with crocodile in it. It is the reason to come this far north.

The last night in the Serengeti is at Kuria Hills Lodge.
